RE-OPENING OF ONSITE SERVICES

Dear Elimites,

It has been about three months since we were able to gather onsite for services due to the Phase 2A (Heightened Alert) safe management measures. We thank God for bringing Singapore through and sustaining our people, guiding our government leaders as the infections increased. Now with more of our population completing their vaccinated regime and the spread of infection being under control, the government has relaxed those measures. With this, we are glad to announce that we will be re-opening for onsite services really soon!

We have carefully studied the latest government guidelines and have adopted a cautious approach to our re-opening so that you and your family can come for our onsite services comfortably and safely. In this way we aim to protect both the individual as well as all Elimites present in our services.

We will be re-opening for onsite services **from 11 September 2021, Saturday!**

Do take note of the following as you prepare to come for our onsite services.

SERVICES

- All our services will be open to their maximum capacity of 190 seats in our Sanctuary. This caters for safe distancing between groups of up to 5 persons.
- All our services in the Sanctuary will be open to **FULLY VACCINATED** individuals only. These individuals are those who:
 - Have completed their vaccination regime (2 doses with an additional 14 days after the second dose); or
 - Have done a Pre-Event Test (PET)¹ 24 hours prior to the end time of the service.
- If you are neither fully vaccinated nor have a valid Covid-negative PET result, you will not be allowed entry into the service.

ONLINE TICKETING

- Tickets for the re-opening weekend will be released on 8 Sep (Wed) from 12 pm.
- Tickets for subsequent services will be released every Wednesday from 12 pm.

¹ For more details on PET, please visit the Ministry of Health Website on Pre-Event Testing (<https://www.moh.gov.sg/covid-19/statistics/pet>)

TRACETOGETHER CHECK-IN

- Pre-Service Check-In and verification of your vaccination or PET test result will only be done only via the TraceTogether App or Token. Scanning of SafeEntry QR codes with your phone camera or via the SingPass App has been discontinued since 17 May 2021.
- The app or token will need to be scanned at our SafeEntry Check-In Stations at Level 1 to verify your eligibility and confirm entry.

CHILDREN'S PROGRAMS

- E-Kids and Passionate Generation (PG) onsite will resume on 12 September at 11 am.
- For parents with children attending E-Kids, please book a seat in Zone A and drop-off your child at level 1 via Lobby A.
- For parents with children attending PG, please book a seat in Zone B and drop-off your child at level 1 via Lobby B.

CONGREGATIONAL SINGING

- Live congregational singing is not permitted. Attendees are reminded to always keep your masks on and to not sing aloud even under your mask.

- Due to limited seating capacity onsite for our services, we encourage you to join us for our livestreamed services on Facebook, YouTube or our Church Online Platforms at the respective service times if you are unable to book tickets.

As always, do follow us on Facebook and on our website for the latest updates and information.

Our staff will also be resuming work in the office, with half of us working in the office each week on weekdays. If you have any enquiries, prayer requests, or need for ministry, do email us at general.office@elimchurch.org.sg, call our office or leave us a WhatsApp message at +65 6298 2204.

God bless you and we look forward to seeing you again real soon!

Elim Church
